

### How does Phelps Market Rewards work?

The more you use the card, the greater your rewards! Your card earns you points each and every time you shop, and it's FREE! You choose where you shop for groceries—why not shop where you will be rewarded for every dollar\* that you spend?

### Phelps Market Rewards does not affect prices!

You'll find the same great low prices every day, with or without the card.

### How do I earn points?

You'll earn 5 points for every \$1\* spent on qualifying purchases. Spend \$20 and earn 100 points. Points add up automatically after each shopping trip. Check the bottom of your receipt for you current total.

### How do I get my Rewards?

You can redeem points for additional savings (over and above the regular weekly specials) in the store on a variety of different products. Keep an eye out for these special offers! Points may also be redeemed for FREE merchandise\*\* If you have enough points and have picked up a qualifying item, the cashier will know to ask if you'd like to spend your points on the discounted item.

\*Qualifying purchases may not include some products such as alcohol, tobacco, and services.

\*\* FREE Merchandise: Free Products for Points to be determined by Phelps Market, and subject to change and availability.
